The President's Letter

Hi Fun Bunch,

SOS card? Check! Fun Monday tickets? Check! Hotel reservation? Check! Sounds like you guys are ready for SOS! It is only two weeks away. So if your going, start making your travel plans now. Our SOS kickoff party at Gators will be Friday, September 9.

At SOS we will have a tent for Fun Monday to advertise Fall Cyclone and give out fans. Make sure and get one and use it a lot all week. Check for our flyers as you go into the clubs. If you don't see any let Mike know. We've also got Cyclone business cards to hand out all week. These are easy to carry, and easy to share with everyone you see.

They are going to try for the Guinness World record for shaggers dancing at one time the last Saturday. If you want participate just let us know. We have the tickets. And of course, Tea parties are the first Saturday and last Friday of SOS, the shooter party is Wednesday, and as always they start at 5pm. We have a great golf outing planned, too. Tons of fun at north Myrtle Beach!

The last golf outing in August was hot, but we all still had fun. Afterwards Shoals Grill was a great place to party. Food was good and the wait staff was awesome! They had an interesting desert if you will, a S'mores tray complete with a small fire, marshmallows, chocolate and graham crackers. Teresa and I actually found some folks that had never had them and they were a hit.

Come out and have some fun with your friends this month and as always, live awesome!

Khris

Club Meeting Night

Our monthly meeting will be held on Tuesday, September 6th at Fat Boys Restaurant (I-77, exit 36) in Mooresville. Social hour starts at 7pm. The business meeting begins at 8pm. See you there!

Get Your SOS Card Now And Save

If you are going to the beach for SOS, and don't have an SOS card yet, get it from TSC and save some money.

You will need an SOS membership card to get in all of the lounges. Memberships are \$35 if you buy them at the beach.

You can get yours from TSC as a member for only \$25. Non-members can get them from TSC for \$30. Buy from TSC and save!

Remember, you also get discounts at many of the businesses at the beach if you show them your SOS membership card.

Last Chance To Help Out And Win!

By Mike Rink

As we go to press, we only have about 16 Fun Monday tickets (or eight group purchase spots) left. We have to turn in our money and ticket stubs, now.

If you are interested in a chance to win up to \$7500, want to help out a charity that supports needy kids, want to help ensure the Fun Sunday and Fun Monday events continue at SOS, want to help the ACSC and SOS, or just want to help our club succeed in our sales efforts again this year, please get a ticket or two from me.

Single tickets are only \$10. Or, for a mere \$20 you can be in on a share of ten tickets.

Thanks go to all of you who have, or will participate in this effort, and for helping keep "The Fun Bunch" one of the top clubs in the shag world. Our club's support of the ACSC and SOS over the years is well documented.

I personally appreciate the great support many of you have given to this effort this year, and I hope some TSC members are lucky enough to also win some cash prizes again this year!

When, Where And What At SOS

Here is a brief guide of activities at SOS for members and guests!

Saturday, Sept 17: Fat Harold's Back Deck at 5pm. It's the first Tea Party of the week. (For new members, that's Long Island Iced Tea.) We'll have food, too. Ray Scott will be our DJ. Come to party. It's only \$2 for members and \$10 for guests.

Monday, Sept 19: Fun Monday entertainment in the streets. We'll be out there all day. Come help us hand out fans, business cards and Cyclone flyers at our 10x10 tent!

Wednesday, Sept 21. Ducks Too (Ducks Café) at 5pm. We're having a beer, wine and shooter party. More great beverages and munchies will be included. Music will be played by various DJ's. Again, it's \$2 for members and \$10 for guests.

Thursday, Sept 22. Possum Trot Golf Course (1170 Possum Trot Rd, North Myrtle Beach). Come have fun at a captain's choice golf outing for members and guests. Cost is only \$45. The tee time is 11am, so please be there no later than 10:30 so we can pick teams, etc. We want men and women, members and guests to play. Invite a friend to enjoy a fun time with us.

Friday, Sept 23. Pirates Cove at 5pm. Our biggest gathering of the week. There will be food! Come early or risk missing out.

Sunday, Sept 20: Fat Harold's at 8pm. For those lucky enough to still be there, we will have our annual Bob Rea "I'm not leaving SOS and you can't make me" party. This event never fails to create some special memories. Jason Justice will DJ!

If you can't remember what time something starts, just remember the number "five". That's when our "Tea Parties" and our "Shooter Party" will begin. We want to see all our members at each event.

Please try to wear a TSC hat, visor or button, or a TSC or Cyclone shirt at these events. We want our group to be seen as a "team". If you need TSC items see Frances Smith or call her (704-662-9864).

Set The Record For Largest Shag Dance

Don't miss your chance to make history. You are invited to set the Guinness World Record for the largest Carolina Shag Dance at Fall SOS! The dance will be held the second Saturday. Each shagger will be required to register (to document the official count for the record) and pay a \$5 donation which will go to the SOS Charitable Foundation. (Note: TSC will pay our member's entry fee.)

Location: The City's new Aquatic and Fitness Center

Time: The time of the actual dance will be between 5:00 and 5:30. The City is closing the facility to the public for us at 4:00.

Other: We will have a tent outside to orderly and quickly collect the tickets to process participants and enter the venue.

Transportation: SOS will provide transportation to the City complex. Parking spaces are available at the Complex, but not enough to accommodate every car.

Souvenir Shirts: Our shag club will have its name inscribed on the back of the commemorative shirts sold at The Company Store.

What To Wear: Everyone is asked to wear black pants and white shirts. This is considered "typical" apparel by Guinness.

SOS Party Support

TSC will have three different parties at SOS that are open to members and guests. You are welcome to invite a friend to make our parties bigger and better!

During those events, we will need folks to take up money and hand out cups during our event. We will have a signup sheet at the September meeting. Please consider taking a one-hour time slot and helping out. It's very easy to do, and you get to talk to everyone who comes to the party! Thanks for all you do.

BLT Dip Recipe

Submitted By Khris Sloop

No cook needs more than a couple of really good party dips in their repertoire, but here's one you might like to consider.

Guys go for it because it's hearty. The ladies like it because it makes an attractive presentation. Everybody likes it because it's good! It's perfect for a Super Bowl Party.

Combine and refrigerate 5 – 24 hrs:

½ c. mayonnaise

1 ½ c. sour cream

½ t. garlic powder

½ t. onion powder

Remove 1 hr. before guests arrive. Add:

2 c. chopped baby arugula, stems removed

18 slices bacon, cooled and crumbled

4 tomatoes, diced fine

Serve with bread sticks, melba toasts, or crackers. The dark green of arugula and chopped red tomato give it a very fresh appeal.

Leave some tomato and arugula on top and just partially stirred in for maximum effect.

Fore For Saturday

By Nancy Massengill

If you missed the four events on Saturday, August 13, then you missed a fun filled day!!! First there was Captain's Choice golf outing at Mallard Head Golf Course. Who was our captain?

I will not spend time on telling you how well or badly we golfed. I will just say that you should ask Wayland, Khris, Steve, or Ray how we did. Yes, once again our team had five players because we had an uneven number show up to play golf. The weather was a little cooler this time for our outing, and that was great.

Then there were the appetizers and food put out by Shoals of Lake Norman. They were very good. If you went hungry, it was your own fault.

Then there was the wine tasting. We tried four different wines and when some of us weren't thrilled with the taste, Brittany (our bartender), made sangria from our merlot... My gosh was it good.

The recipe... Merlot, 2 oz. Peach Schnapps, 1 oz. triple sec, splash of orange juice, splash of Sprite, and fresh squeezed wedge of orange, lemon and lime.

To cap off our full day, Clyde provided music for dancing.

What a fun day! Great fellowship. Great food. Great Music and Fabulous Sangria!! What more does one need? (Another day to do it all again?)

Thought For Today:

A person who can't lead and won't follow makes an effective roadblock.

Junkyard Birthday Party

By David Kelly

The eleventh annual Vinyl Party at the Junkyard was great again this year. The weather was fantastic and I am sure it is a party that Martha Baker will long remember. It was there that her daughters Beth and Becky gave their mother a surprise birthday party.

Donna and I attended the Vinyl Party and joined in with Martha's family as they celebrated Martha's Birthday. Of course there were quite a few other Twister's members at the Vinyl party as well and they also joined in and celebrated with them. To say that Martha was surprised is putting it mildly. She was totally surprised!

Howard played a key role in getting Martha there and not letting on that something was up. Howard calmly strolled hand in hand with Martha as her grandkids jumped out and surprised their grandmother. By then Martha knew that something was up and the party was on. It was no longer a surprise birthday party but a party we will long remember!

Driving Miss Susan

By Ray Clark

On August 20, I volunteered to pick Susan Dahl up along with some of her friends and drive them to the Junkyard party. I lived in Mooresville until 1965. So I knew most of the back roads to Concord. Leaving Troutman I went Amity Hill Road and took a few other roads to Mooresville coming out on the backside of 801 to Mooresville. Then entering Mooresville I cut through to Highway 3 to Odell School to Concord Mills.

Every road I took and turn I made from the time I left Troutman until the time we arrived at the Junkyard was questioned by Susan. It was the same way on the return trip from the Junkyard back to Troutman.

I have several pairs of hearing protectors I use when shooting my guns. How I wish I hadn't taken the pair I keep in my car, out. My advice is if you volunteer to drive Mrs. Susan be sure you take a route that is known to her. If she does not know the route, consider purchasing hearing protection. If this is the only time you will be driving, you are welcome to borrow a pair of mine.

WE ARE GETTING READY FOR A BIG PARTY!

Invite all of your friends, invite other shaggers that you meet, share a flyer, forward an email, and tell everyone they can get all the details and party information at our new web location:

The Fun Bunch "Wobbles"

Charles Orange

You have heard the expression Weebles wobble... Our version is The Fun Bunch wobbles but they don't fall down (at least not until the 6th or 7th round of beverages). Tuesday night, the 23rd was the last night of shag lessons for the latest session.

Brenda and Ferrell started out the Beginner I lessons with a recap of the previous steps that were taught. Once the students refreshed their steps, they rotated partners and danced. Rotated and danced. Rotated and danced. The guys on the end had to sprint just to keep up. The Watts then entertained the class with a new line dance, the Wobble. If you think watching newbies try to shag was funny, you should have seen them Wobble! Most everyone in attendance tried the new dance with great success.

The highlight of the night came about with the cutting of Vickie's famous cakes. Lemon cake with blueberries, always a crowd favorite, and chocolate with syrup and strawberries. I just gained an extra pound thinking about it.

Beginner II started and reviewed their steps with an added finish to the pivot. This proved a daunting task. But most were good enough to learn it by class end.

Thanks, Brenda and Ferrell for another set of classes. Thanks, Fun Bunch for assisting. And thanks to the students that hopefully will help keep the dance going. See you at classes in October!

**We will have some space saved for
your article in the next issue!**

Send us your memories or your impressions of
any TSC event. We want to hear from you.

The deadline for the next issue will be the September 27th.

The Shooter Party At SOS

By Brenda Weisner

Unfortunately, we will not be at Fall SOS. We will be on a RV trip to Branson, Missouri. But if we were at SOS, we would definitely be at the Shooter Party on Wednesday.

For newcomers, it is held on Wednesday at Ducks at 5:00. The food has been really good in the past. The last 2 years we had BBQ and all the fixings to go with it. It is a great meal. The dance floor is spacious and the shooters, wine, and beer are plentiful. It is not real crowded, so there is room to meet and talk with friends and new acquaintances.

I think it is probably my favorite Twister's party at SOS. So, if you don't usually attend, come out this year and enjoy good food, drinks, and good music. Sorry, we'll miss it this fall. But there's always spring SOS!

The Frozen Fantasy Party

By Wilma Laws

Thank you Celia and Mike for the fun-filled evening you hosted at your home for the Fantasy Party.

Even with the hot temperatures, it was a good time! It takes a lot of work and planning to provide a perfect evening for the large group of "Fun Bunch" members that attended and it was very much appreciated by all of us.

Celia, I was wondering if by chance the beautiful Motorcycle Lady (a.k.a. Trailer Trash Lady) that entertained us at the Fantasy Party would possibly consider helping promote the Fall Cyclone with Mike. I understand he has been asked to stand on the corner of Main Street at Ocean Drive in a sandwich wedge sign during Fall SOS promoting the party and if the beautiful lady could work the same corner with Mike (in her spikes) and pass out flyers and maybe sell tickets???? Just wondering...

Two More Great Parties!

By Susan Dahl

The Four Event Party was a first, and it was loads of fun! I can't say how the golf was, but everybody who played said they had a good time. I can vouch for the three events that followed. The buffet at Shoals Bar & Grill was such a delightful change. "No lousy potato salad"! Yes, they had barbecue, which was excellent. But they also had homemade potato chips, quesadillas, an outstanding cole slaw, etc.

Then, there was the wine tasting. Now, I don't want to say, "five of the tasters had terrible taste", but that is the truth!. Betsy and I were the only true Winos. The rest were almost embarrassing. The wine servers were so nice though, and made Sangrias for them out of the good red wine, which made them so happy. Betsy and I just ignored them. Sharon McGraw and Angie came from Salisbury, and our buddy, Claude popped in to dance with all us singles. Clyde played good tunes, as usual, and a good time was had by all.

Next was the Junkyard Vinyl Party. The best part was Martha's surprise Birthday Party. I can't even tell you how her daughters' "pulled this off". I can tell you it was so organized - with a tent and platters of scrumptious food, shrimp, veggies, fruit, etc. The huge decorated cake was the most elaborate, delectable birthday cake I have ever seen. What an outstanding job those girls did. They also provided wine and beer, and asked anybody passing by the tent to eat and drink. She is fortunate to have a family so caring.

When Howard and Martha walked up to the tent, she was so surprised and spilled tears of joy. We are so lucky to have Howard and Martha as members of Twister's. They add so much to the "Fun Bunch"! Oh, the Vinyl Party was fun, too. I always see people I may not see for a year or two.

OK, this is rambling on I know. So... That's all, folks! See you at the next event. From one of the Fun Bunch!
