It has become impossible to list the exact time of each play slot used by each individual lounge, especially since some lounges aren't even consistent. So, time slots shown on this schedule are used by the majority of the lounges. Where there are exceptions, one box on this chart may cover two different play slots. Still, all of the DJ's are listed here at the closest available time on the chart and in the order they play.

All three TSC parties are open to everyone. Free food & adult beverages are included at each for a small donation.
