The 12-5, 5-9 and 9-close play times shown on this chart are used by the majority of the lounges. However, a couple lounges swap their DJ's at other times. One even changes when play times are on different days of the week! So, if a lounge is not using the exact play times listed on this chart, their DJ's are listed on the chart in the box or boxes corresponding closest to their actual play times, and in the order they play.

Everyone is welcome to the TSC parties (outlined in bold). Free food & adult beverages can be included for a small donation!
