# **The President's Letter**

Hello my fellow Twisters friends!

I want to thank all of you several times!

First, thanks to everyone that came out to the Halloween party. It was great to see all of the different costumes and the creativity folks had. We had a lot of fun!

One of the biggest surprises to me was all of the enthusiasm and interest that was applied to the pumpkin decorating contest. Folks brought stuff to dress out their pumpkins and we had some great ones out there. If you didn't know, ours had the little alligator arms on it to match Scott's bum arm he has been nursing since back at the Frozen Fantasy Party. It was a great time and I'm sorry if you missed it. So start planning your 2018 pumpkin now!

Together as a team, once again we did it. We put on a Whirlwind Party that folks will still be talking about when we go back down to SOS in 2018. It all is attributed to everyone's hard work and willingness to step up and make this event successful. It makes me proud to say that I'm the President of such a great group of people that make up Twisters Shag Club.

Thanks to everyone as well who attended the Christmas event. A special thanks to everyone who took the time to dress for the occasion. There were some great outfits that night.

It's always good to see folks come out and enjoy our time together. I hope that everyone had a joyous Christmas Holiday Season and Santa brought you what you wanted this year.

By the time this letter comes out we will have already finished up with another big year end New Year's Eve event. As of this letter, we were only a few tickets away from selling out. This goes to show how the shag community is rebounding back.

The arrival of the new year means it will soon be time for electing officers for the Twisters Shag Club Board. Kathy Lentz has agreed to head up the Nominating Committee again. If you have interest in a position or you want to nominate someone for the 2018 Board, please let her know no later than Friday, January 12. Remember, a nominee needs to have attended at least six meetings in the previous year and be willing to serve as an officer.

The focus on 2018 for every Twisters member, including me, should be to focus on new memberships. We are looking for quality folks just like you and me that have the same vision for the club to not only just have parties and good times, but also work for TSC and help perpetuating the dance to keep Carolina Shag alive for future generations.

The Board has discussed some different ideas based around the dance lessons starting with the new set in January. Our current plan includes free beverage tickets and a 30 minute dance/social/meet & greet between the two dance classes each Tuesday. Come to the meeting Tuesday night to learn more.

We are also open to your ideas. Take time to write them down on a card, piece of paper or even a napkin if nothing else and give it to a board member. More importantly we need everyone to help put plans into action. We can't expect one person to "do it all", so let's focus on working as a team to achieve our goal.

I look forward to seeing everyone at Mid-Winter SOS, which is now just a few days away. Hope has booked the room, and the feeding of Buttercup (the mini horse) and Brown Eyed Girl (the mini donkey) are also in place as well. Have beer will travel.

Cheers,

Barry Wray

## **Happy New Year!**

By Mike Rink

Twister's Shag Club members and friends brought in 2018 with a sell-out crowd at the Finish Line Lounge.

The fun started at the Fairfield Inn with a pre-party that was very well attended. Everyone enjoyed great food and beverages, and two guests walked away with a free night stay, courtesy of TSC. Then, a bus took those staying at the Fairfield to the event.

The Finish Line was completely filled, but not too crowded, and everyone was there to have a good time. When midnight came, we enjoyed a traditional champagne toast and then a very tasty, full breakfast buffet. The last guests didn't leave until nearly 2am.

Peggy and I spoke with a lady from Rock Hill the next morning before we left the Fairfield. She was very complimentary about our whole party. She said, "When you go to an out-of-town event, it can be a hit or miss thing. Sometimes it is good, and sometimes it is bad. But you guys hit it out of the park. We plan to make this an annual tradition."

Overall, I think it was one of the best NYE parties we've had in a long time. Many thanks to Barry (who was sick) and Hope (who had to work the next day) for heading up this effort, and also to those who helped by bringing food for the pre-party. It just goes to show things are always better when the Fun Bunch is involved.

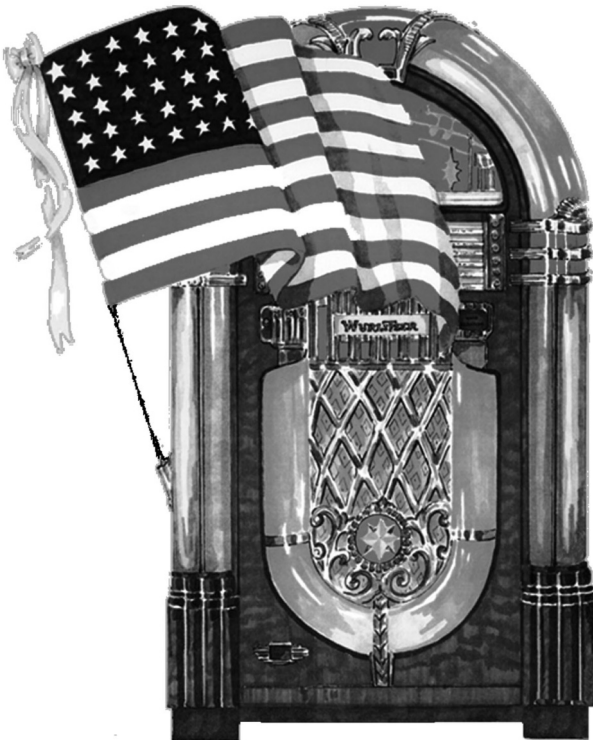

## **Mid-Winter Party**

Are you going to the beach for Mid-Winter? It is January 11-14 (or the 15<sup>th</sup> if you get Monday off for MLK day).

On Saturday, Twisters Shag Club will host another gathering for members at guests in the “Duck Pond”, the back-left corner of Ducks Beach Club. The party will start at noon. At 1pm we will have a meal of fried shrimp, slaw and hushpuppies. Don’t be late.

If you are staying until Monday, don’t forget the “I’m Not Leaving And You Can’t Make Me” party at Fat Harolds on Sunday night at 8pm. It is always fun.

If you can’t go to the beach this time, please make an extra effort to come out and support the Finish Line Lounge. Your help can ensure another great crowd on a Friday night!

# **Twister's Shag Club 2017-2018**

By Peggy Cavin

The older I get, the faster time goes. I can't believe it's almost the end of another wonderful year.

I love the fact that our club is one of the most active in the ACSC. We gather during Mid-Winter to enjoy a "Tea Party". In April at Spring SOS we normally have two or three tea parties and maybe a golf outing. In September, it's Fall SOS. Again, it's "tea parties" and gatherings throughout the ten days. Oh, and how can I forget the Sunday night "I'm Not Leaving And You Can't Make Me" parties? There is always a funny story to come out of that party. Just ask Bob Rea! Plus, there is always that "little corner" of Harold's that is always crowded with TSC members and friends when we are at the beach. We truly are the "Fun Bunch"!

During the year, we have our annual party, The Whirlwind, now that the Fall Cyclone has been retired. This will be our third year for The Whirlwind. It's much smaller and we've changed the format to make it easier to host. But we still have the same fun we've had for the 25 years of the Fall Cyclone.

We've also added the Junior Cyclone in March for the kids. This March, 2018 will be the third year. It's been fun and seems to be growing in attendance each year. We love seeing these up-and-coming shaggers having fun, learning the shag's history, learning what it takes to become a DJ, taking part in a drawing contests, participating in workshops, and doing other activities that have been planned for them. We also have \$1 hot dogs, \$1 pizza and all sorts of other things for a mere \$1. Plus, we're planning to make the food even better this year.

Just as with annual parties, our members are devoted to our guests at Junior Cyclone both young and old, showing them a good time. It's heartwarming seeing these young people come from all around to join their friends for a weekend of fun. And, we are the hosts to these outstanding kids. We are helping make a better future for all.

In 2017, we had a fun Valentine party. Our Halloween party was hilarious with gift cards given in several categories for best costumes etc. We even had our first pumpkin decorating contest. That will be an added, annual attraction to our party. The big Christmas party, again, featured clever outfits and was fun. I think the more participation we had, the more fun we had.

We have a small club, but it seems like a large club when we all work together making things happen throughout the year. What's in store for 2018? Your guess is as good as mine, but I do know that it will all be great.

As I'm writing this article, we are getting ready for our New Year's Eve party. It is happening again at the best dance place around, The Finish Line Lounge. It's an ideal spot for a big party. The facility is awesome. The huge dance floor, the tasty food, and the bar area are all outstanding. It's just a perfect place to come together with members and guests alike to bring in the new year. We will have a pre-party at the Fairfield Inn for members and guests. I'm sure Hope Wray has fun things planned for everyone at the hotel for a pre-party. Last year it was a blast.

After a whole evening of fun, Willie, the Finish Line Lounge's manager, will have a wonderful midnight buffet for us. What a great way to end 2017, and start 2018.

I know by the time the newsletter comes out, we'll be into 2018. What great things will happen in coming year? We'll just have to wait and see.

My wish for 2018 is that we will recruit more new, *good* members, and our current members will become more involved, bringing new ideas for fun times, and making us a bigger and better club!

**Do you need a 2018 SOS Membership Card to go to Mid-Winter or the Spring of Fall SOS events? The card also gives you discounts and other benefits at various businesses at the beach all year long. You can save \$5 by getting your card through TSC. See Peggy Cavin to get yours at the meeting.**

## Thanks For Giving Us...

The holiday season is over. We all had a lot to be thankful for. But sometimes it is easy to overlook that many things this shag club offers us during the year, and to be thankful for them, too. In case you need some reminders, here's just a *few* examples of things the club pays for and/or offers its members during the year:

- A club web site ([www.GoShagging.com](http://www.GoShagging.com)) and a Facebook page
- An online photo site with free pics and discounted souvenirs
- A 24 hour telephone line for club news and info
- One of the shag world's best newsletters
- A phone calling machine and email notes to keep you informed
- A large storage building to house and protect TSC property
- \$5 of the cost of each SOS membership bought by a member
- \$5 of the cost of every shag lesson taken by a TSC member
- Cash drawings held at our monthly meetings
- Birthday cards, and other cards sent to all members
- Discounted club T-shirts and other apparel
- Discounted memberships at BJ's wholesale club
- Sponsorship of the Junior Shag Association's web site
- Membership in the Lake Norman Chamber of Commerce
- The bus for bus trips, plus food and beverages when the club goes to other events (Members only pay for the cost of a party ticket.)
- Food, beverages and a DJ for the Frozen Fantasy Party
- Golf outing beverages and snacks
- An annual bowling party
- Discounted New Year's Eve Party tickets (and the shuttle)
- Tea Parties at the beach during SOS and Mid-Winter
- Discounted Whirlwind Invitational tickets
- Food for members working setup, etc. prior to the Whirlwind
- Other various free and discounted local parties
- Prizes for our Valentine's Day Party
- Prizes for our Halloween Party
- Prizes for our SOS Kickoff Parties
- Much, much more!

There is also the benefit of being part of an organization that has a 27-year history of various successes and achievements, *the* most famous annual parties, and a club that has won multiple awards while perpetuating the music and dance. All these things should make you very happy and proud to be member of TSC.

## **Thoughts From The VP**

By Rich Hardick

First off, I would like to take this opportunity to wish all of our members a Merry Christmas and a Happy New Year. As we close the end of 2017, we all had great times at the Golf Outing, Winston-Salem Shag Club bus trip, the Frozen Fantasy Party, and all the special parties we had at the Finish Line.

I would like to thank the other board members for their efforts this year. I would also like to thank all the club members who helped in making the Whirlwind the success that it is. Thanks also to all the people who attended our dance classes. We are looking forward to some of you becoming members of our shag family.

The upcoming year will provide new challenges for all of us, and we will have to work out any issues that come up. We will also need the help of every member to attract new members to our club. If you have any ideas to help TSC be better, please let a board member know. Keeping shagging and have a great New Year.

# **Thank You, Susan Dahl!**

By Greg Long

You can't imagine how pleased I was to receive the special, one-of-a-kind commemorative bottle from Susan Dahl at the December meeting. It memorializes Clemson's 2017 National Football Championship Game win over Alabama. (Sorry Barry. I had to include that. You are getting another chance this year.) It also commemorates my years there as a trainer for the football team.

I was blessed to be able work for the Clemson University Athletic Department from 1980 to 1985. We won our first National Football Championship almost 36 years ago in the 1981 Orange Bowl. I've always felt doubly blessed that I could be there that particular year. Really, what ARE the odds?

The lighted bottle she created is a beautiful sight to behold. I am very proud of that gift. I've enjoyed displaying it at work and enjoyed the many compliments it has received. Clemson's 2017 National Championship Decal is a gorgeous sight to behold!

T-i-g-e-rrrrrr-s - Fight Tigers - Fight Tigers - Fight - Fight - Fight!

## **Shaggers United**

The Annual Shaggers United Party in Salisbury will be Saturday, February 24<sup>th</sup>. Dozens of TSC members have enjoyed this event in recent years. Six DJ's will be there to play the music. Light food is provided and beverages are very inexpensive.

Seating at this fun event is limited. But Mike Rink has purchased two sponsor tables. If you want a reserved chair (which includes party admission), see Mike. They are only \$15 each.

## **A Dated Note From John Alford**

Thank you to everyone who said a prayer or thought of me last week while I underwent knee surgery. My Orthopedist said everything went as expected, and I should be able to resume dancing and golfing again sometime in December. I am already able to achieve the 90 degrees of flex in my knee and I can also fully extend it out, which is encouraging.

Many of you know that Lisa and I did manage to show up Friday and Saturday for the 2017 Whirlwind Event. Despite not being able to shag, I had a tremendous time helping out with Raffle Sales Friday night and helping "sample" the Bloody Mary's Saturday morning. Barry made Lisa a White Russian Friday night, and after a few sips, she came to the Raffle Booth and proceeded to tell me that she couldn't feel her lips any longer.

Kudos to all of our club members who helped make this a successful event. I heard from many people Friday night in the Raffle Booth how much they look forward to this event and how we do such a great job pulling it off year after year. I can say that it made me proud to be a TSC member.

Happy Veteran's Day to all of our TSC members and their family who have served, or are currently serving our country in the various branches of the military. Your willingness to serve and put your life on the line to promote freedom is greatly appreciated.

## **The Whirlwind Party**

By Rich Hardick

First I would like to say "thanks" to all the members of Twisters who helped, before, after and during the Whirlwind to make it a great success. We were short on help for work slots due to roughly 10 members who had other commitments. So special thanks go out to the members who did extra slots to pick up the slack.

Now, on to the event itself. The party was a huge success. I would like to thank all our guests who came to shag the nights away and have a great time. In talking with our guests, they all said it was a great party and that they would do nothing to change it.

Guests liked the fact that we have plenty of room for all attendees to have a seat during dinner. They all enjoyed the meals, the great bar, and all the munchies. I did not hear any bad comments on the party, just good ones.

Again thanks to all the members and guest for a very successful party. See you next year.

## **Whirlwind Invitational**

By Dan Woodrome

Wow, what a great party! The only thing that Michelle and I regret about the party is that we were not able to be there Friday night! Everything seemed to go so smooth from setup to the actual party, and then teardown.

There were some problems before the event got started. But, everything worked out and the party was just as we had planned, a great time for everyone in attendance. The changes that have been incorporated, as a result of putting on the Junior Cyclone the last two years, have really made a difference in setting up, and tearing down this party! Thanks go out to everyone that worked so hard to make it a success.

Michelle and I had a great time this year working in the Raffle Booth again this year. What added to the fun was working alongside Celia. It was great having her years of experience in the booth. I'm sure I speak for both Michelle and Celia, when I say thanks go to everyone who walked the floor and helped in selling the raffle tickets. Hopefully, all of you had as much fun as we did interacting with our guests.

As members of the Twister's Shag Club, we should all be very proud of our party. I'm sure while working with the guests you heard many expressions from them about how much they enjoyed themselves, and what a great party it is! Not only did I have the opportunity to hear comments like that at the party, but Michelle and I heard such expressions from individuals who were mailing in their ticket requests to us. I don't know how many times we heard how they were really looking forward to the party with comments like "Twister's sure knows how to throw a party" and "this is the best party we've attended".

But aside from these and other comments, what really tells me just how great of a party we have is the fact that individuals came to our party from 11 different states (NC, SC, VA, TN, GA, FL, WV, MD, KY, IN, and PA). Now tell me, how many individual shag clubs can say their party has so many attendees year after year from so many different states? I would venture to say, few if any!

So fellow Twister's members, congratulations! We did it again! We have every reason to pat ourselves on the back and celebrate another fantastic party. Hey, the CBMA might not have recognized the Whirlwind Invitational as the year's best shag party, but we all know better!

# **Comments About Our Annual Party**

Some of the things our own members liked about the Whirlwind:

- DJ's played a great variety of music.
- Good DJ's all weekend.
- I got a lot of hugs from the guests. They remember Twister's members faces from year to year.
- Once again, the size was great!
- Registration went very smoothly.
- Seeing our guests having a great time and hearing all the sincere "thank you" comments and for "a great party".

Some of the comments and input from guests about the Whirlwind.

- A man from Washington, D.C. said we had a well-run event. He declined going to another event closer to his home to travel many hours and attend our event.
- It was a well planned party.
- It is the best party around.
- Enjoyed the selection of DJ's.
- Everything is so organized.
- How organized we are and how we pay attention to details was stated by several guests.
- That this is the best party in the Shag World - even better than SOS at the beach.
- It's a fabulous party! We love the music, the hospitality of Twister's Shag Club and the entire arrangement you've developed! Great job!
- Liked having Shoe Center there.
- Liked the smaller number of guests compared to the Cyclone.
- Numerous attendees expressed thanks to all members of Twister's who worked so hard to put on such a great party.
- Several said they like Whirlwind better than SOS!
- They were impressed by the speed of the food line.
- They like the food, the dance lessons and the dance contest.
- It is a very well put together event.
- We have a good club with very friendly members.
