# The President's Letter

Hi shagging friends,

March is here and that means warmer weather can't be far behind. March is also the first month of our club year. It's a chance to recommit to fun, friends, fellowship and TSC.

Your new Board Members met with the 2012 Board and we are working on a great schedule of events with a lot more activities and outings. Look for a calendar very soon. We're also looking for your help and your input to make this an even better year for TSC. We've recently had a fun Mid-Winter, and we have a huge crowd of folks taking our shag lessons. What's next, you may wonder?

We are doing something a little different this month. It's our annual bowling party. New members, don't worry. Most all of us are rookies who only take aim at these pins once per year. So don't be shy about participating. Sure, we've got a couple Kreamer/Massengill/Sloops in the group to show us how it is done. But it's all about having a good time. So plan to come out and join us. You can party, bowl, and even go eat with us if you want to.

This event will be on Sunday, March 10 at George Pappas Lanes just off Highway 150 in Mooresville. It's on the other side of the interstate from Fat Boys. So head east from I-77. Pass Lowes. At the top of that hill turn right at the light (beside Walgreens drugstore) onto Bluefield Road. In about 1/4 mile turn left onto Midnight Lane. You can't miss it.

PLEASE try to be there around 2pm so we can get our shoes, balls, (beverages) and be ready to start by 2:30. The facility has a full bar, food, etc. Come early if you want to. We may also go to O'Charley's or Lonestar or somewhere nearby to eat afterwards. Hope to see you there, and at other TSC activities this month.

Mike

# **Looking Forward To More Fun**

By Scott Fletcher

Cathy and I are so grateful to be a part of TSC. 2011 and the first part of 2012 was a trying time. I had lost two family members (mom & dad) within 14 months of each other. When we joined Twisters in 2012 things started looking up. All of the new friends we have met helped make the memories of 2011 start to fade away. Everyone has been very friendly towards us. We feel we have gotten very close to some members and are looking forward to getting to know others better.

In our short time as members, we have been to many events; the spring, fall, and mid-winter SOS events, Fall Cyclone, New Years Eve party, the Winston-Salem posse trip, the Rock Hill posse trip, the Junkyard event, the Frozen Fantasy party and many Friday nights at the Days Inn. Good times at all! Whew! I have to say, you folks know how to party! We will try to hold our own, but I don't know if we can keep up. We are looking forward to 2013 and doing whatever we can to support the club.

## **Dance Lessons**

By Nancy Massengill

What a great turn out we have for dance lessons with Ashley and Tobitha Stewart. We have 80 students in Beginner I and 24 in Beginner II (Intermediate). All seem to have great attitudes. As is our "normal", we have more ladies than men, so partners are needed. I do appreciate all the help from our members as we continue the "dance of the Carolinas". A special "thanks" to Scott, Ken and Jerome for helping me with check-in.

A number of our students have been coming to Big Shotz on Friday nights. Please help make them welcome and perhaps extol the benefits of being a member of the "Fun Bunch". Just a reminder to everyone, this set of lessons will continue with a graduation party at Big Shotz on Friday, March 29. Hope you can make it that night. Maybe we can entice some new TSC members!

## **Club Meeting Night**

Our monthly meeting will be held on Tuesday, March 5<sup>h</sup> at Fat Boys Restaurant in Mooresville. Social hour starts at 7pm. Business meeting begins at 8pm. Mimi Hooker has submitted her application to join Twister's Shag Club. Come out and meet her!

Mike Turbeville's name was drawn for the Treasure Chest of \$44. He was not present to win so this amount will be added at the March meeting. Don't miss your chance to win this month.

## **The Latest Shag Lessons**

By Peggy Cavin

Wow! A huge crowd showed up for this set of dance lessons. There are 76 in Beginner I and 18 in Beginner II. Shag music has been played before the classes begin which has added to the excitement in the room. Teaching this set of lessons are Ashley and Tobitha Stewart. Everyone has had such a good time.

I hope more of our members will come out to support Ashley and Tobitha and help with those new shaggers that do not have a partner. All help is appreciated!

The whole class came away the very first night with a good start learning the basic step. A strong basic is a great foundation to move on to more difficult shag dancing.

All of these folks seem so eager to learn. Most of the students have practiced, and many have stayed after the lessons to ask questions and get extra help that we offer. There are all ages attending the lessons, young ones, older ones, single and married.

Many of our students have promised to be at The Inn on Fridays to check it out and practice on the dance floor. We are looking forward to having them with us.

Thanks Ashley and Tobitha. With your help, I do believe this bunch of new shaggers will be around for a while.

# Great Turnouts at The Inn

By Susan Dahl

What a crowd, the last two Fridays at Days Inn. We thought the Valentine's Day Party filled the place, but the next Friday was even bigger with standing room only... and barely room to stand. I was driving down, late, in the rain, thinking no one would show up in this weather. Then I pulled into the parking lot, which was full, except for one place right near the door. I couldn't believe it!

Once again, there were people there I hadn't seen in months. Also, some of the new dance lesson students showed up. After a while Walter, Ken, Scott and that "Groupie" were doing Shooters. As I recall, that went on a couple of times. We had a "large time". There were people there long after midnight.

Now for some sad news: A good friend and dancer, Jerry Fox, died February 13 in Gastonia. New members would not know him, but he was at Days Inn with Sandee Bourke about four weeks ago. He always asked DJ's to play Black Satin. He has supported us over the years at the old Holiday Inn, Havanna Club, Gators, etc. He had a stroke years ago, but recovered really well, except for his right hand. He was fun to dance with, and will be missed by those of us who knew him. He was a good person, and I will miss the great jokes he e-mailed me. He had a heart attack.

Will also miss Tim Davis. He wasn't at many of our recent events, but always asked me and others to dance and was such a nice man.

See you at the next dance for more fun!

P.S. I hate to end with a "downer", but we never know when it might be our last dance. Hugs to all!

# ACSC Winter Workshop In Fayetteville

By Peggy Cavin

The ACSC Winter Workshop was in Fayetteville, NC this year. We got there after traveling for several hours in the rain. Fortunately, everything was under one roof at this "park & party".

When we walked into the lobby of the Holiday Inn Bordeaux, it was packed with shaggers ready to party. It was like a family reunion with lots of hugs and laughs with friends from all over. We got settled in and headed down to sign in and find out what was going on. The Fayetteville Shag Club members were very friendly and ready to help us with all our weekend needs.

The first couple we saw after entering the hallway to sign in was our good friends and NMB condo neighbors Tom and Beverly Hobgood. (It was their shag club hosting the workshop.) They had watched our efforts during the Fall Cyclone and knew we were looking forward to this party because we wouldn't have to lift a finger to do anything. The first words out of his mouth were, "Welcome. We don't want you to do anything this weekend but relax and enjoy the party".

We made our way to their Hospitality Room where there was a dance floor, food, wine, beer, and two huge coolers filled with "screw drivers" and "sex on the beach". Let me tell you, there was plenty of alcohol in that "sex on the beach". After two and a half cups I was looking for something to eat! Tom and Beverly spent time making sure we were happy and running back and forth making sure all was going well with every other guests.

The workshop meeting came too early Saturday morning after a wonderful breakfast buffet. The lunch provided at the meeting was outstanding; roast beef, ham sandwiches, a delicious pasta salad and various cookies for dessert. After the meeting, we had a few hours to rest before we headed down to a great buffet dinner and then more dancing. At one point, Steve and Cathy Day gave an awesome demo. Wish I could mimic those moves!

Joey Warren and David Sessoms were the DJ's for the weekend and they did a great job. There was a half-and-half raffle and a Chinese Auction both nights with lots and lots of prizes.

We were pleasantly surprised during the weekend to see Dr. Phil Sawyer and Mrs. Chick who were celebrating their 56th wedding anniversary. Congratulations to them!

Sunday morning, we enjoyed the breakfast buffet and the omelet bar before heading home. Unfortunately "all good things have to come to an end".

Many thanks to the Fayetteville Area Shaggers Association for hosting an awesome party and workshop. I didn't hear any complaints all weekend.

We headed home Sunday morning with the sun shining and our thoughts on the following weekend and DJ Throwdown. There will be more friends, good times, and more music. There's never a dull moment in the life of a true shagger.

# New Year's Eve 2013

By Peggy Cavin

Can anyone believe that it's 2013 already? Where has time gone? Time changes and we move forward, hopefully to a better year. I wish each of you a healthy, happy and bright 2013!

Our New Year's Eve party was such a great time. Thanks go to Kathy Thompson and the group who headed up this year's party. You made it an awesome event. The food, the decorations... everything was great and ran like clockwork. We had 80 attendees who came to help us bring in the new year. Walter Upchurch kept the awesome tunes playing all night. They made my feet want to move! The dance floor was full up until the lights came on at 1:00am. But, there is something about midnight on New Year's Eve that seems to bring out the kid in a few of us. It was crazy.

I think Bob Rea started it all. When the funky music started he was the one out in front of the troops! I loved the sing-a-longs, too! You just had to have been there to get the jest of all the commotion in the building.

I heard the rumor that the usual tradition of "hitting the floor" at midnight would be carried out and our committee chairperson lead the assault. I'm sure there will be pictures posted on our website, But there will be no names provided, "to protect the innocent"!

Some of our former members attended and it seemed like the Twisters Fun Bunch from long ago. It was great seeing them. They joined in with the group like they had never left. Pam, Geoff, Pat, Irby, Brenda, Arnold, Al, Diane, Beverly and Charles... thanks for the memories and the good time. I understand retirement and grandchildren can change your lives, but we have missed you guys.

Like the Cyclone, we had a shuttle to bring party-goers to and from their hotel. I heard that the 4th floor of the Clarion was rocking an hour before the shuttle arrived at the hotel. That party atmosphere carried on to the party and way into the night, too.

Thanks to everyone who stepped up to make this party one of the best. The Fun Bunch and fans made sure that 2012 went out with a bang!! And, if that attitude continues, lookout 2013. The Fun Bunch is in charge!

## **Recent Activities**

By Tom Stone

Well howdy everybody. I know this letter is coming as a total shock to our Newsletter Editor since I have not sent anything in for quite some time. I finally have something worth writing about.

I am not sure if all of you know, I also teach shag lessons (mostly private). In Twister's Shag Club we have so many very good dancers. I think it to be a special honor to be asked to teach any of you and that is what happened recently. Ken and Marylee asked me to help them learn something new and teach them a little about style, which is one of my specialties. They have been dancing about a year and they are, in my opinion, very accomplished dancers. To make things even better, I asked Kathy Thompson to be my assistant and she actually said yes. Wow! What an honor!!

For about two hours we worked with this couple and it is my pleasure to say, they not only learned everything, they learned very quick and easily. It is always a pleasure to work with someone who can identify and learn what I am showing them. In addition, it makes me feel very special when it is someone from my favorite shag club. Thanks Ken and Marylee, and thanks Kathy Thompson for your awesome help.

I don't think it would be right to send this in without mentioning the Saturday afternoon Tea Party during Mid-Winter. If you were not there, too bad. You missed out. All I can say is, that was what a party is supposed to be like. Hey, we are back on top! To be able to say that we packed the back deck of Fat Harold's at mid-afternoon is something to brag about. Mid afternoon finds most people at the beach taking a nap. But not our group. We came out in droves. Wow, what a party. Thanks TSC! We are truly a "Fun Bunch."

# The Winter Beach Blast

By Marylee Kreamer

You know how it is when you go to a party and everything just “clicks”? The music is great, the people are fun, and a good time is had by all? Well, that’s how it was at Rock Hill’s Winter Beach Blast. It was an amazing party and Twister’s (The Fun Bunch) was well represented. The Fantastic Shakers had everyone on their feet all night long. Just when we thought we couldn’t dance any more, they’d play another “best song ever” and we’d be right back out there twisting, shagging, and tush pushing. Even during their few short breaks, Frank Price kept good music pumping.

As a relative newcomer to the shag world, I had never seen the junior shaggers perform. Ashley and Tobitha’s team was such fun to watch and the crowd was generous in their donations. Ken made lots of new friends with his Red Juice dispenser, all the while talking up the fun his new BFF’s will have at Cyclone this year. Wayland wowed us with his fashion flare by *owning* that jaunty centerpiece. No one left hungry as the Rock Hill members put out an impressive spread of food. When we thanked our hosts for such a great party, they credited Cyclone as being the gold standard for parties from which the rest of the shag world took inspiration.

At the end of the night we considered throwing an “after party” at Bob and Cindy’s house, but reports of Bob’s evasive driving skills nixed that idea. Tommy and Wilma were not going to let that bring an early end to the revelry, though. They found a rapper Karaoke bar back at the hotel. We fell in there where Cathy’s gangsta version of the Cupid Shuffle was breaking hearts all over the bar. Oh, yeah, there was the Frances Smith lip synching scandal. But I’m certain that future live performances will silence her critics.

From beginning to end it was such a good time! Next year the only thing that could make it better would be to have even more of our Twister’s family there with us. Ken and I owe a big thank you to Mike and Celia who introduced us to Twisters and all the wonderful friends we’ve made. What started as dance lessons has turned into so much more!

# Ramblings From the Road

By Wayland Massengill

How do, Brothers and Sisters? Welcome to the world of snow bunnies and dummies. It has been a crappie weather winter in the northeast and mid-west this year! I probably have 50 pounds of road salt on my poor black truck, and not much hope of hitting a wash bay anytime soon. Ugly. Anyway I thought we could look at something a little more light hearted than road conditions or the driving skills, or lack there of, of the driving public. Let's talk about a foreign language. Trucker talk. The American trucker, using the citizen band radio (CB) has over the years nicknamed everything. So if you should happen to use one in your travels I thought a basic glossary would come in handy. Here goes:

**Bear.** A bear could be local, county or state law enforcement. Formally known as "city kitty, county mountie, and smokie bears". "Full grown" is state level with everyone else being just a bear.

**Care Bear.** Law enforcement stationed in construction zone and accident scenes.

**Yard stick.** This is the slang for mile marker signs. "Get off" and "get on" ramps are exit entrances. The days of ambulances being referred to as "meat wagons" are pretty much over but "rolling first aid" or "medic" is common. Fire equipment is usually just that, however there seems to be a push for "rolling fire hydrant".

**Lot lizard.** The term of endearment put on "ladies of the evening" that prowl the truck stops and rest areas seeking business and to keep the CDC busy.

Live stock trailers or cattle haulers have a litany of names such as "meals on wheels", "canned" beef, pork, etc, are just a few. Occasionally you may observe dead or even live poultry on the road from a truck and these are referred to as "kamikaze chickens".

Trust me when I tell you, this is just a sample. We'll explore a few in other future postings. Until then... see ya where the road ends and the party begins!

# Valentine's Day At The Inn

By Peggy Cavin

I'd like to thank Kathy Thompson for organizing our Valentine's Day Party and getting the night started off with a bang! All ladies received a red rose upon arriving at The Inn. The decorations along with the sweet treats, prizes and gift certificates given away during the night were such a nice addition.

The crowd that came to spend Valentine's with The Fun Bunch and friends was huge. Some folks came out early to eat. (The Inn has a variety of great sandwiches and appetizers.)

Our DJ for the night was Eddie Anderson. The music he played kept the dance floor full all night. Some of our new dance students even came just to check out what happens on Friday nights at The Inn. It was a late night, too. The music and dancing went on up until nearly 1:00am. Still, at least 20 people had to be shoved out of The Inn or they would still be there dancing.

A group of us gathered at the Waffle House to carry on the fun and laughter after leaving the party. Kathy and I had taken the last few roses from the party and we gave them to our favorite waitresses who laughed and broke out into happy grins. There is something about Valentine's Day, candy and red roses that bring out the best in any woman.

I was surprised the night before with a wonderful dinner at Epic Chophouse. It is somewhat of a tradition that Walter and Mike try to catch Frances and I off guard with a surprise dinner. (This year Mike Turbeville joined in their plans.) We girls try to look out for their trickery, but this year my daughter-in-law, Kathy, was in on their plans. She pretended to invite Mike and I to her house to eat on the 13th. I didn't have any idea until we pulled up in front of the restaurant that I wasn't actually being taken to Kathy's for dinner. Thanks Kathy for your part in all this! Walter, Mike and *Mike*, you guys did a terrific job this year. Thanks! It doesn't take much to make a girl happy. It was indeed a great Valentine's Day 2013.

# **Winter Beach Blast in Rock Hill, SC**

By Wilma Laws

A few of the TSC "Fun Bunch" decided to take a little road trip to the Rock Hill Winter Beach Blast recently. The event was held in a National Guard Armory Building in Rock Hill with 400 tickets being pre-sold. The Fantastic Shakers performed throughout the evening. Rock Hill Shag Club's Frank Price was the DJ. Our hosts provided food for the party, which consisted of many home made dishes, and desserts. Great Job Rock Hill Shaggers!

The tables were decorated with cold weather/snow related items, and as the evening progressed some of the TSC members ended up wearing the table decorations on their head! Very attractive! Wonder what inspired this?

This was a well planned fun party and a good time was had by all. However, it did end at 12:00 midnight sharp. We tried to convince them to go on for a while, but they said, "You don't have to go home, but you can't stay here!"

## **Fun Night In Rock Hill**

By Nancy and Wayland Massengill

Date line Friday February 1, 2013: What a great time to be in Rock Hill! We, along with Walter and Francis, Scott and Cathy, Tommy and Wilma, Bob and Cindy, and Ken and Marylee made a posse trip to Rock Hill Shag Club's Winter Blast party at the National Guard Armory. What a good time!

There was good music from Frank Price and the place went out of control when The Fantastic Shakers took over and closed the evening out with a blast. The place was overrun by beautiful people, good food, great dancing, and maybe some adult beverages. Some junior shaggers put on a demonstration that brought the house down. We believe a good amount of money was raised in their support. There were five dollars dances with the juniors that drew lots of takers, too RHSC put on a good party and great times of dance and fellowship was had by all.
