

Twister's Shag Club's Tuesday Nights At Fat Boys

Twister's Shag Club holds monthly meetings at Fat Boys the first Tuesday of every month, except as noted. Most other Tuesday nights are dedicated to normal shag lessons. The lessons start at 7pm, and last until 9:30. Our intention is for students to dance until about 9:45-10pm.

Normal lessons last for seven weeks, usually including a shag club meeting night. This allows students to visit and see what our club is like. Sometimes the club offers special one-night classes. They are generally either line dance classes or more advanced shag lesson classes. These lessons fill "odd" Tuesdays or Tuesdays that occur during the holiday season.

Normal lessons are \$30 per person for the entire set. One night lesson charges vary from \$1-\$5 per person, per night.
